Dear Dr. Conner:

This letter serves to announce the appointments of Dr. Daniel Welsh and Dr. Steven Schwarzbach as the U.S. Fish and Wildlife Service's (Service) primary and alternate voting members on the Montrose Trustee Council. Dr. Welsh is the Contaminants/NRDAR Coordinator in the California-Nevada Operations Office and can be reached at (916) 414-6458. Dr. Schwarzbach is Chief of the Environmental Contaminants Division in the Sacramento Fish and Wildlife Office and can be reached at (916) 414-6591. The Service looks forward to working with our co-trustees in developing and implementing a restoration program for the natural resources that were injured by releases of hazardous substances into the Pacific Ocean by the Montrose Chemical Corporation and other parties involved in this Natural Resource Damage Assessment and Restoration case.

Sincerely,
